VIGILANTS TRIM **CROSS COUNTRY**

Baltimore Team No Match Football Receipts Total Close for Local Men.

JOE GEIBEL IS THE STAR

Southeast Team's Fast Full Back

The Vigilant football team, three times independent champions of the District, handed the Baltimore Cross Country Club a good beating yesterday at Capital City Park before a large crowd, 47 to 6.

The Baltimore aggregation falled to

bring a full team over and had to use two of the Hall Stars in the game. The

bring a full team over and too to use two of the Hall Stars in the game. The Cross Country team never had a chance with the track local aggregation, the only question being low large the score would be. The Baltimore team came here with a hig reputation but they failed to live up to it, and the Vigilants walked through them with case.

It is an assured fact that the all-star scholastic eleven that will face the Vigilants Thanksgiving morning will prove to be a tough proposition for the fast team from Southwast, and that the Vigilants will know that they have been in a real football game is the opinion of many.

Walter Parker, the speedy quarter back of the fast Eastern High team last year, will be seen in quarter for the high school team, while Stack, the great Central center, will must likely be seen in center. Gripp, of the Central team of three years ago, Howell, of the old Business aggregation, and Sinching, of the erack Tech team last year, are just a few the diductions stars who will be in the ters siggregation, and Sinchir, of the track Tech team inst year, are just a few of the old-time stars who will be in the MI-Star's line-up which the pick of this year's teams will play. Yesterian's game win little more than weether.

esterday's game was little more than stice for the Vigilants, as the Balti-re aggregation never had a look-in-bel, Olivers Lissounbe, and, in fact, ontire Vigilant squad, did good work.

VICTORIOUS NAVY ELEVEN RETURNS

Tremendous Reception for Gridiron Warriors.

Annapolis, Nov. 26-After the mid shipmen had taken the horses from the vehicles which waited at the station for the members of the victorious Navy football party and drawn the returning warriors through the streets of Annapelis, a tremendous reception was given them in front of Bancroft Hall. The them in front of Bancroft Hall. The mildshipmen ail had lighted brooms, and these, with the supply of the waste baskets from their rooms, were made into a huge boufire, which lighted the scene while the players and coaches ad-dressed the suddences from the top of a

porch.
Capt. Dation was the first speaker. He praised his entire team. He said Glichrist, the quarter back, was the hero of the game, and that he had come to him in the third period and said that his physical condition was such that it night be better for the team to have a man in his pince. Datton told him, he said, to stay in, and he gritted his teeth and stayed to the last, although he could hardly walk.

INDIANS PRIMED FOR BROWN. Will Wind Up Football Season

Carlisle, Par. Nov. 26-With every hop of winding up their present season with greater credit than has ever gone to a

greater credit than has ever gone to a jocal team in the past, the Cartisle Indians' football squad came home late last night from its victory over Johns Hopkins at Baltimore.

The next two days' work will be aimed directly at the Indians' cleaing contest of the season, which will be held on Thanksgiving against Brown University at Providence. Brown will be the first team since the sarly games to meet the whole Indian 'varsity line-up.

There are little sidelights to a big football game that are interesting. Ther football game that are interesting. There were 250 student ushers at the Harvard-Carliale game, and there will be 300 or more at the Darimouth and Yale games in Cambridge. There are also required 100 or more policemen. Lunch is served for these 400 msn at 13 o'cfock in the baseball cage. The details of management of a big football game are certainly considerable.

Reuter is now in the best of condition Reuter is now in the best of condition and is sure to put up the game that made him one of the best backs in the high schools last year. Handicapped at the beginning of this season by an injury received in a practice game with the Maryland Aggles, Fritz has been unable to get in shape, but now the speed boy is fit to put up the battle of his life.

Technical will have a new man in the back field if the present line-up is not changed, owing to the illness of Frazier, and it is more than ilkely that Gilbert will be put in at full back. Gilbert is fast, hits the line hard, and should prove a capable understudy for Frazier.

Early reports show that one of the largest crowds that has ever witnessed a high school game will be on hand when Referee Gass blows his whistle to-morrow afternoon, and aside from the game.

Another fast youngster, who will get a chance in the Tech game to fight all the way through is little McDonough, the hustling end. "Mac" is the smallest player in the scholastic ranks, but at that is a mighty good man.

"Buck" Howard, the fast back of the Western eleven, will be a candidate for the shoristop position on the ball team, and that the fast lad will prove to be as big a help as last year on the dia-mond is almost a certainty. When Business takes the field against Western this week, the Stenographers will have their strongest team for the first time this season. Wilson and Black he first time this season. Wilson and Black he fast tackles, are in good shape, and the other members of the eleven are in perfect condition.

Manager Collier, of the Business eleveler is anxious to play Western Wednesday, and now that it has been held elsewhere than on Long Island. The fourteen entries ready to start are no less great than many of the question for that day, either the Cathedral School field. Union League Park, or Gallaudet will be named as the place for the game. Gallaudet seems to be the choice for the battle, as the Buff and Blue schedule is completed and the field will be vacant. It is understood that Western is willing for the game to be played Wednesday and the only thing that remains is for the faculty advisers to arrange the field. This will be done this afternoon.

While the Baltimore Country Club falled to put up a real fight against the Vigilants yesterday at Capital City Park it was not the fault of the local management, as Jeo Oliveri made two trips to Baltimore to get the Cross Country team to come over, as they had made a great showing in the Monumental City and it was thought that they would be able to give the Vigilants a hard battle. When the team arrived here they were minus two men and had to use two of the local football players.

The game Thanksgiving Day between the Vigilants and the All-Star scolastic eleven will prove to be one of the best games that has been played in the park this year, as the high school boys are working hard for the battle and expect to hand the Vigilants their first defeat at the hands of an independent team in three years. Cambridge, Mass., Nov. 28.—Head Cooches Percy D. Haughton, of Harvard, and William W. Rohrer, of Princeton, with Yale's famous line coach, G. Foster Sanford, are disgusted with the existing football rules. Couch Sanford stated to

"Personally, I advocate a committee on

day:
"Personally, I advocate a committee on rules, not to exceed five men, who owe no pecuniary allegiance to any university. I believe that the great game of football is big-enough and strong enough to stand upon its own bottom. The rules committee talks of having eliminated dunnecessary roughness and all that sort of thing.

"The game to-day is as rough as ever, with the chances for severe injury much favoring the present style of playing. I sincerely hope the matter will receive speedy and adequate attention."

Coach Haughton has this to say: "College professors and an uneducated football public demanded a revision of the rules, and football got its most serious setback. I prefer the old game. This new game inn't logical. It is, however, better than no game at all."

Head Coach W. Robrer, of Prince-ton, suid: "Harvard and Vale would be rated stronger under the old rules than Princeton, but such is not the case with the new game. Victories must be the result of the other team's misplays. A strong offense is no longer the best defense, and rather the defensive team."
